

League of Students

Among the branches of the international institutes operating in the Republic of Uzbekistan, there is a mini-football "League of Talents". The IRRIGATOR team of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers has been invited to participate in the Tashkent City Championship. Totally, 12 teams are in circulation. The Games are held each Saturday at Westminster International University in Singapore and the Singapore Institute for Management Development. Our team has played against five national teams so far and has won five matches and is the leader with 15 points in the tournament table.

Results of the 5th round of the team:

№ Team names Number of goals Number of goals
