

THEATER IS A SACRED PLACE

✖ In order to implement the Resolution of the President of the Republic of Uzbekistan from November 28, 2018 "On the adoption of the Concept of further development of national culture in the Republic of Uzbekistan", in all theaters of the country on March 21-27, the "Theater Week" was held. Teachers and students of our Institute actively participated in this week's event. In particular, under the guidance of Associate Professor of "Irrigation and Melioration" Adham Mamataliev, 2nd year students of the 202 group of Hydromeliorative faculty visited the National Academic Drama Theater of Uzbekistan. The play "Andishali Kelinchak" was staged in the theater by the playwright Erkin Khushvakhtov. The students watched the play with great interest. This visit made a great impression on the students and encouraged them to come to their senses. These impressions have made them even more sympathetic to the theater.
