

Poetry of Abdulla Aripov

The poetry of Abdulla Aripov occupies a special place in the understanding of the Uzbek people of national identity. His lyrics, covering the topics of life, motherhood, love, kindness, independence and nobility greatly influence the human soul. On June 27, 2020, on the Literary Alley was organized a spiritual and educational event dedicated to the life and work of the national Poet of Uzbekistan Abdulla Aripov in order to perpetuate the memory of the great poet. The event was attended by the Dean of the Faculty of Hydromelioration A. Fatkhulloyev, the teaching staff of the faculty and active students.

Abdulla Aripov is a unique poet, he brought national literature to a qualitatively new level. Every day we wake up and fall asleep to the strains of the national anthem. Abdulla Aripov is a creator who will forever be remembered by each of us for his invaluable creativity, fiery lines, wise thoughts.

Speakers at this event spoke about the poet's great contribution to the development of modern Uzbek literature, his activity in state and public works, and his concern for the education of young talents.
